GAME DAY BUDGET

As we head into Round 7, proudly sponsored by **D&R Plumbing and Gas Services**, the GFL Commission would like to take a moment to sincerely thank everyone who has contributed to the season so far.

From players, coaches, volunteers, umpires and clubs, to our sponsors, supporters and wider community — your ongoing commitment, effort and passion are what make our league so strong. The first half of the season has already showcased fantastic football, sportsmanship and community spirit, and we commend everyone involved for the high standards being set both on and off the field.

With plenty of exciting football still ahead, we encourage all clubs and supporters to stay engaged and continue building momentum as we move deeper into the season.

We also want to highlight some **important upcoming events** to mark in your calendars:

Zone Carnival – taking place over the upcoming long weekend

Think Mental Health Round – Round 10, a vital initiative supporting awareness and wellbeing across our community

Great Southern Colts Carnival – scheduled for **13th–14th June**

NAIDOC Week Round – Round 12, where we proudly recognise and celebrate Aboriginal and Torres Strait Islander culture and contributions

These events are key highlights of our calendar and provide great opportunities to come together both on and off the field.

Once again, thank you all for your efforts so far — and best of luck to all teams for Round 7.

Get Paid to Be in the Game: Umpire Football in the Goldfields Football League

Love footy? Want the best seat in the house *and* get paid for it? Umpiring in the Goldfields Football League (GFL) is the perfect way to stay active, be part of the action, and earn some cash while you're at it.

The GFL is one of the most iconic country football leagues in Western Australia, with a proud history and passionate footy culture. Whether you're into senior footy or looking to support junior development, there's a place for you in the umpiring team.

Why umpire?

Simple: it's fun, it's rewarding, and yes — it's paid. You're not stuck on the sidelines or watching from the couch. You're in the thick of it, calling the game, making a difference, and improving your fitness all at once. Plus, you'll meet a great crew of like-minded people who love the game as much as you do. You also get full training and support. Whether you've played footy before or not, we'll teach you the skills, rules, and positioning to become a confident, capable umpire. You'll learn how to control the game, communicate with players, and enjoy the game from a whole new angle.

Different grades, same energy

The GFL runs several levels of competition — so there's something for every age and ability. That includes:

- **League** – the top level of regional footy, fast-paced and full-on.
- **Reserves** – still high-level and competitive, but a bit more relaxed.
- **Colts** – where the next generation of local talent is coming through.
- **Women's** – growing every year and a huge part of the footy community.
- **Junior grades** – ideal for newer umpires to get started and build confidence. Each match needs field umpires, boundary umpires, and goal umpires — so no matter your skill level or preference, there's a role for you.

How to get started

If you're even *thinking* about giving umpiring a go, now's the time. It's easier than you think to get involved.

You can sign up through the **Goldfields Football League** directly — just reach out via their website, socials, or drop by a game day and chat with a league Commissioner or an umpire. They're always looking for new umpires to join the team.

Even easier, you can register online right now at play.afl/umpire. It takes just a few minutes to sign up and kick off your umpiring journey. Whether you're chasing extra cash, a fitness boost, or just want to be around the game you love, umpiring in the Goldfields Football League is a great move.

It's paid fun. It's footy with purpose. It's your call — literally.

LAST WEEK'S LEAGUE WRAP-UP

By Neale Harvey of the Kalgoorlie Miner

Mines Rovers v Kalgoorlie:

Mines Rovers will head into a round eight derby showdown in a fortnight's time well-rested and with burgeoning confidence after a second-half blitz on Saturday against Kalgoorlie powered the reigning premiers to a 50-point win, 15.8 (98) to 7.6 (48), in the Goldfields Football League.

After Kalgoorlie threw everything at them to half-time while building a six-point lead in Ryan Macdonald's 150th game, Mines Rovers flipped the switch with a devastating burst of efficient run-and carry that was capped-off up forward by player-coach Sam Stubbs and sibling Daniel Stubbs.

They combined for eight goals, with Sam helping himself to five majors and the game ball as best afield in the GFL's annual Belt Up Round.

Outside the group's round four victory against a winless Kambalda, Kalgoorlie's 6.4 to the main break was their best return in a first half this season. But it went south quickly — courtesy of Daniel Stubbs' purple-patch in the third quarter, when he kicked three mercurial goals among the side's efficient 6.0.

Renowned for his theatrical celebrations after kicking a goal, Daniel slotted his first major from a tight angle right in front of the Roos' members that put the blue-and-whites in front for good.

Moments later, his slick crumbing in the goal square yielded a second goal and when Sam steered through his fourth late in the term, it was all downhill for Kalgoorlie.

Daniel then added an exclamation point to the team's dominance with a set-shot goal from the opposite pocket that extended the lead to 24 points at the final change. It was much the same in the last term, when Mines Rovers piled on 4.4 among a decisive 10.4 in the second half.

Kalgoorlie's decline after half-time was reflected by 1.2, after small forward Jack Martin had earlier played his part with three goals from limited opportunities. Sam Stubbs said it was an impressive second half from his players, after being challenged early.

"We were able to find our gears and really take it up a notch which was pleasing," he said.

“Running away with a win like that was great but defensively to keep them to eight points after half-time was equally pleasing.

“I wouldn’t say that they surprised us early — I knew it was going to be a strong contest and that it would be a fight for a while.

“Our hope was to eventually break them down, and that’s what happened.”

Boulder v Kambalda:

Boulder have surged two games and percentage clear in the Goldfields Football League standings after recruit Michael Mallard’s big haul on Saturday led a 114-point win against Kambalda, 28.14 (182) to 10.8 (68), to complete round six.

The clash at Digger Daws Oval was over by half-time, after a 16-goals to-four start by the Tigers on their home ground — followed-up by 12.8 in the second half.

Mallard, who formally signed with Boulder last October from West Perth, led the charge with seven goals and Jed Strickland bagged six in a performance that boosted the team’s percentage to a whopping 271.26 after just six rounds.

Kambalda’s 10.8 was their highest score this season and despite trailing by 73 points at the main break, they battled on for 6.3 the rest of the way.

Eagles recruit Richie Bourne, who won the Mitchell Medal in 2015 as a member of Mines Rovers, kicked three goals against the odds and Tryse Rioli bagged two.

But the day belonged to Boulder, who had 12 goal kickers in the absence of player-coach Scott Worthington, key defender Jake Nuich among a string of others, when Callum Johnson’s three goals was the main support for Mallard and Strickland.

Strickland is yet another addition to the yellow-and-blacks’ squad, after 12 games last year for Scarborough in the Perth Football League. Tate Ralph, Alec Johnson, and Jebb Swallow were also missing for Boulder, who this Saturday chase a sixth straight win.

COACH: Scott Worthington

ATTENDING THE FOOTBALL PLEASE REMEMBER THE FOLLOWING:

Alcohol Consumption and Licensed Area's

Alcohol must not be brought into the ground and can only be purchased at each club's licensed premises. Please ensure that alcohol is only consumed in a licensed Area for a beverage while you are here. The Goldfields Football League and Local Police would like to remind patrons that

consuming alcohol outside the licensed area, and around the oval, is illegal and penalties will be enforced

Sportsmanship, Umpire and Player Abuse

Please remember a decent level of sportsmanship today while supporting your team, so we can all enjoy the Football and have a great day. Umpires have the authority to award a penalty against your club for poor sportsmanship – don't be that person. No one wants to cost their team the match in a close game

Supervision of Minors and Ground Encroachment

Please make sure that all children are supervised and also kept away from the boundary line of the oval and also do not run on the oval. All children at the football are the parent or guardian's responsibility. You must watch your child doesn't get too close to the boundary or worse enter the field of play – we have had some near misses with children nearly getting cleaned up by a player. The current style of football is quick, tough and hard, and a player just can't stop in time if a child or spectator is in the way! We don't want a nasty accident occurring so please watch your children. The GFL accepts no liability for any injury occurred for any patrons or children sitting inside the oval fencing. And Lastly for our Junior Games..

“These are KIDS.

This is a GAME.

THE UMPIRES ARE HUMAN.

THE COACHES ARE VOLUNTEERS.

This is NOT the AFL!

Before YOU complain –

Have YOU volunteered yet?..

We travel to Sir Richard Moore this weekend to take on Kangas in what is always a good clash. All grades are looking to continue their good form and come away with a win on the board.

Our major raffle will be kicking off in the coming weeks so keep an eye out on our social pages if you are wanting to grab a ticket.

Our league side are sitting two wins clear at the top of the ladder. Reserves are on top my percentage, with Colts sitting second and Women in a four way split for top spot.

We will be headed back to the club after this weekends games we hope to see you all there.

Our junior grades are playing at Digger Daws oval on Sunday, kicking off at 8am. Its always good to get down and support our future Boulder players. If you are looking for something to do Sunday head on down to the oval and support our young players.

Good Luck to all teams this week.
